We also strive to develop in the athletes, character, leadership abilities, and good citizenship by teaching the importance of practice, preparation, and sportsmanship in reaching one's potential. Our Sports Program provides for the development of physical, social, spiritual, and moral skills in a setting that is an extension of the classroom.

## Section Three

2. Arrange for your child to be at games and practices on time with proper equipment and uniform.
3. Be a good role model for your child in regard to conduct. Be supportive as a parent in the stands. Understand that we are competing at the grade school-middle school level. Be respectful of all participants, coaches, and officials. Understand that you represent St. Elizabeth Seton School.
4. If any problems or questions arise please address them with the Athletic Director or coach during a scheduled meeting or e-mail. **Please refrain from initiating a conversation with the Athletic Director or coaches before, during or after games to discuss perceived problems. The time to discuss problems-issues is NOT before, during or after contests.**
5. Please be supportive of your child and the program by attending games whenever possible.
6. Please be considerate of the school's administrative staff by refraining from calling the office pertaining to the athletic schedule. ## Section Four

### Tryouts, Practices, and Games

#### Tryouts

- \* Two tryout sessions will be planned for all sports. The student athlete must attend at least one of the sessions to be considered eligible for the sport.
- \* A team roster will be determined by the coaches and the Athletic Director.

#### Practices

- \* Practices are mandatory unless stated otherwise by the coach.

#### Games

The athletic department will do their best to try and keep everyone informed of all scheduling changes. Please be advised that changes in the schedule are sometimes a necessity. All Seton Athletic Schedules are kept up to date on the school app. The school app can be downloaded for free from app store by searching for Seton Whizfish - (*St. Elizabeth Seton -School of St Elizabeth Seton Parish in Naples Inc.*). Please allow for push notifications when downloading the Seton app.

\*\*\*\*\* A student athlete that gets sent home from school for disciplinary reasons or sickness cannot attend tryouts, practices, or games on that day. A student athlete who is dismissed from school early for approved reasons may participate on that day. \*\*\*\*\*

\*\*\*\*\* At the discretion of the Athletic Director and Principal a student athlete who chooses to quit a team after the official team roster has been posted may be subject to a loss of eligibility in other sports activities/seasons. This rule is in place to discourage student athletes from quitting after the official team roster has been posted. When choosing a team, the athletic director and coaches sometimes have the tough decision of making cuts. When a student athlete quits, they have possibly cheated another individual from gaining a space on the team. \*\*\*\*\*

## Section Five

### Description of Athletic Program

The athletic program at St. Elizabeth Seton School is broken down into two levels, junior varsity and varsity.

The junior varsity program is for 4th, 5th, and 6th grade students.

The varsity program is for 6th, 7th, and 8th grade students.

Please notice that 6th grade students may compete at both levels. The coach and athletic director will decide if a 6th grade athlete plays on varsity or junior varsity. Players cannot switch back and forth between junior varsity and varsity teams.

The number of players who can participate on a team varies from sport to sport. Unfortunately, not all students who try out for a team can become a member of the team.

The junior varsity program is in place to allow every team member a chance to practice his/her individual and team skills. Coaches will stress individual and team skills without putting too much emphasis on winning games. All 5<sup>th</sup>-8<sup>th</sup> grade athletes will receive playing time during regular season games. 4<sup>th</sup> grade athletes may not receive playing time during games. Some 4<sup>th</sup> grade athletes need time to acclimate themselves to the athletic setting, thus we do not force them into games. Not all players will necessarily receive equal playing time. The amount of playing time a player is given is at the discretion of the coach. **During tournament play**, playing time is **not guaranteed** as the coaches may choose to play certain individuals over others for the benefit of the team winning the conference tournament.

The varsity program is in place to challenge the athletes to prepare them for high school athletics. Individual and team skills will be stressed. Coaches will emphasize team effort to achieve the common goal of performing in the best possible way for the team. Preparation-practice will be stressed as the pathway to winning games. All players will receive playing time during regular season games (unless 4<sup>th</sup> graders are used to fill the roster). Playing time is at the discretion of the coaches. During tournament play, playing time is not guaranteed as coaches may choose to play certain individuals over others for the benefit of the team goal of winning the conference tournament.

If we do not have enough athletes to make a JV and Varsity team in a particular sport, our priority is making sure we offer the sport as **Varsity**. In such case, 4<sup>th</sup> and 5<sup>th</sup> grade athletes may be used to complete the roster.

St. Elizabeth Seton School participates in the Sunshine Athletic Conference.

Being a member of the St. Elizabeth Seton Athletic Program is a privilege that a student athlete may earn through acceptable academic standards, overall behavior on and off the court or field, and skill achievement. Both team and staff members are expected to represent the entire school with great dignity and fair play.

The sports that are offered at SES are: Boys and Girls Soccer, Girls Volleyball, Boys and Girls Cross Country, Boys and Girls Basketball, and Boys and Girls Track.

## **Section Six**

### **Fees for Participation**

Every athlete who makes a team will be required to pay a nominal fee to participate. Fees collected will go towards hiring game officials, obtaining suitable equipment, uniforms, field maintenance, pennants, other general athletic necessities, as well as offsetting a portion of the cost of our awards banquet.

The rate scale is as follows:

\$25.00 for Cross Country and Track

\$50.00 for all other sports

All athletic fees will be set up through the FACTS program. The athletic fee will show up as an "Incidental Fee"

Incidental fees may be added for sports requiring special equipment which is kept by the athlete (Socks, hats, gear, etc.).

The Athletic Department understands that families sometimes experience financial difficulties. No student athlete will be deprived the opportunity to play because of financial reasons. Please see the Athletic Director with any financial concerns.
