# Forty is Fabulous!

## Join us in celebrating 40 Years of Excellence in Catholic Education!

In 1981, St. Elizabeth Seton Catholic School was hand-built by the loving hands of parishioners who wanted their children to have a quality faith-based education. Named in honor of the first American born saint and in keeping with her virtues of faith, discipline and love, the school was founded as an extension of the teaching mission of St. Elizabeth Seton Church. From our humble beginnings, the philosophy and commitment to the tradition continues.

St. Elizabeth Seton School has a proud history as a family-oriented community where students in Grades PK3 through 8 build a strong academic and spiritual foundation in a supportive and caring environment. Our graduates are known to be upstanding, successful citizens who give back to their communities. Now in our 40th year, we are grateful to continue to be a beacon of light that shines in the community. Enrollment is strong and demand for the quality Catholic education we provide continues to grow...but, we are running out of space!

We need additional classroom and administrative space to properly meet the needs of our students and families. That is why we have established a ***Campus Expansion Program***. This program is designed to provide a secure single point of entry with consolidated administrative space, expanded classroom space, and enhancements to the overall look of the campus. Our goal is to raise \$600,000 by the end of 2021. We are already on our way with \$200,000 in hand and a donor who will match up to \$50K raised through the end of May!

**Will you help us grow and continue the legacy begun 40 years ago with a one-time or monthly gift of \$40, \$400, \$4,000, \$40,000, or any amount?**

Giving is not just about making a donation, it is about making a difference. Thank you for your prayers, help and support in meeting our goals for much-needed campus improvements and expansion.

Blessings,
