

Celebrating National
HISPANIC
Heritage Month
September 15 - October 15

Dear Parents/Guardians,

¡Hola! As part of your student's Spanish class, we will be having a "Latin fiesta" day to recognize the Hispanic Heritage month at St. Elizabeth Seton School. **"The National Hispanic Heritage Month traditionally honors the cultures and contributions of both Hispanic and Latino Americans as we celebrate heritage rooted in all Latin American countries. National Hispanic Heritage Month is celebrated from September 15 to October 15."**

For more information, please visit <https://nationaltoday.com/hispanic-heritage-month/>

Students' grades PK3 through 8th will be attending the Latin Fiesta, held on **Thursday, October 13th** during school hours from 11:50-2:44pm in the gym. We will have a Zumba instructor during the Fiesta, students will get moving and dancing to the beats of Latin music, after Zumba students will be able to sample the foods around Latin America.

For the Latin Fiesta we need Latin foods, drinks and desserts representing any Spanish speaking country. We have also created an Amazon Wish List of party supplies that we would like to use during the Fiesta.

If your child is bringing food, desserts, or drinks to share during the Latin fiesta please keep in mind the following:

- Please send enough for all people in the classroom to sample on Thursday, October 13th.
- Please send dishes in a microwave safe container if they will need to be reheated.
- Please send serving utensils.
- **Please make sure your property is labeled with the student's name so that the correct things will be returned.**
- Please label the country your dish is from.
- Please drop off items in the morning in main entrance of the gym.

*Due to possible nut allergies, please do not include any type of nuts or nut products in the food that is sent to school. If your student has food allergies or any related issues, please speak to him/her about being aware of what he/she samples.
