Dear Parents,

It is the time of year to complete the Title 1 paperwork for Collier County Schools. Since this form helps us generate funds for the tutoring program, I ask you to please complete the attached paperwork. Even if your family is not in the tutoring program, funds are generated as a school. All families will benefit from the parent trainings we offer at Seton through these funds. Our teachers benefit from the teacher trainings and resources through these funds. All of our Seton students somehow benefit from this program, and we want to make the most of this opportunity to generate monies for our Seton family.

As you can see, there are no names on this form. The information will be in the secure resource files.

One form per family is sufficient. Please return the form by day, February 14th. If you have any questions, please contact me.

Thank you for your help.

Blessings,

Mrs. Maria Niebuhr M. Ed.
